HOW TO REGISTER

If you are a cadet, go to the Armory first and get your card of good standing, then you follow the same routine as the others, which is as follows:

GO to the registrar's office in Woodburn Hall, take your place in line, and fill out the registration card.

PRESENT this card to Professor A. J. Hare, who will give you in return a slip of fees to be paid.

THEN take this slip to the Financial Secretary, in Science Hall, AT ONCE, pay your fees, and don't forget your RECEIPT.

NEXT pay a visit to your Class Officer, (all Freshmen go to Professor J. M. Callahan, in Woodburn Hall) who will prepare your courses for you. He will give you your class cards and study list.

NOW you begin on a long journey. Go to each of the instructors under whom you are going to take a course. Give him your study list and also the class card. He will keep the class card and sign his initials on your study list.

AFTER you have visited all your instructors and have your study list "initialed" for each course, don't stop yet.

BUT return your STUDY LIST to your Class Officer IMMEDIATELY. This is important, for certain complications may arise if you fail to do so.

AND don't forget to buy your BOOKS. Do all this on Monday, February 7, and the next day is a holiday for you.

UNIVERSITY FEES

Non residents of West Virginia pay a tuition fee of \$25 each semester or \$50 a year.

In College of Law and School of Medicine: Non residents students \$15 each semester or \$25

Chapel is held every Wednesday morning at ten o'clock in Commencement Hall, under the direction of the Chaplain of the University. No classes or other University exercises are held at this hour. Brief devotional exercises are held, lectures, addresses and discussions occupy the remainder of the hour. The attendance is entirely voluntary.

A student must have credit for 15 units of high school work before he will be admitted to the University as a FULL-BLENDEN FRESHMAN.

Any student who has 7 unexcused absences is barred from attendance at all classes until he has been restored to good standing by the President.

All excuses for absence should be made and substantiated with a FIVE DAYS after the absence. If not, one per cent is deducted from the student's final grade, for each unexcused absence in that particular class.

Students should present their examination papers to Maxwell Moore.

The student's final average is calculated after the mid-semester examination. It will be suspended from the calculation for the remainder of the semester.

Students whose final average is below 70 per cent, will be suspended from the following semester.

MAP PREPARED SHOWS STUDENT DISTRIBUTION

(From the Athenaeum)

Registrar A. J. Hare, of West Virginia University, has prepared a map that shows graphically where the 1919 students enrolled in West Virginia University for the year 1919-1920 came from. This map shows that more than 1500 of these students came from West Virginia. This total enrollment is approximately 400 larger than for the preceding period of last year and is surprisingly close to the advance estimate of 2,000 enrollment for the year. This includes summer school students who have not registered for work at any other period of the year, but does not include any students of the various extension courses offered by the University.

This map emphasizes the strangely representative type of students who are attending the University. The great increase in students from the southern part of the state is particularly noticeable; these being one-third the West Virginia students from that section. For example, Kanawha county has 74 students, Mercer has 40, Cabell has 35 and Greenbrier has 32 students in the University. Every county in the state has one or more representatives. The Eastern Panhandle has almost doubled its representation during the past year, and the Northern Panhandle shows a heavy increase also.

The real county leaders are Marion

with 129 and Harrison with 100. Of course, Monongalia county has the largest total number but the reason for Monongalia's particularly large representation is due to families of students moving in from other counties to be right next door to the University rather than the mere fact that the boys and girls of the county attend such advanced institutions of learning in very large numbers.

Besides the West Virginia students, there are 18 states represented, including Pennsylvania, Virginia, Maryland, Ohio, Indiana, New York, Kentucky, Massachusetts, Kansas, Rhode Island, Missouri, Illinois, North Carolina, Maine, Alabama, Oklahoma, Tennessee, Nebraska and the District of Columbia. Pennsylvania is the leader by a wide margin with 100 students. Serbia, Japan, Puerto Rico and Cuba are also represented.

The representation from each West Virginia county is as follows: Barbour 25, Berkeley 24, Boone 2, Braxton 33, Brooke 19, Cabell 36, Calhoun 1, Clay 6, Doddridge 11, Fayette 27, Gilmer 7, Grant 10, Greenbrier 32, Hampshire 11, Hancock 16, Hardy 8, Harrison 108, Jackson 33, Jefferson 18, Kanawha 74, Lewis 40, Lincoln 5, Logan 7, McDowell 18, Marion 139, Marshall 50, Mason 17, Mercer 40, Mineral 32, Mingo 13, Monongalia 284, Monroe 12, Morgan 12, Nicholas 37, Ohio 76, Pendleton 6, Pleasants 14, Pocahontas 14, Preston 54, Putnam 3, Raleigh 10, Randolph 33, Ritchie 20, Roane 23, Summers 19, Taylor 36, Tucker 35, Tyler 30, Upshur 12, Wayne 1, Webster 12, Wetzel 30, Wirt 1, Wood 41, Wyoming 2.

WEST VIRGINIA

Let's give a rah for West Virginia
And let us pledge to her anew,
Others may like black or crimson
But for us it's Gold and Blue,
Let all our troubles be forgotten;
Let college spirit rule,
We'll join and give our loyal efforts
For the good of our old school.

CHORUS:

It's West Virginia, It's West Virginia,
The pride of every Mountaineer,
Come on you old grads, join with us young
lads,
It's West Virginia now we cheer: (rah,rah)
Now is the time boys, to make a big noise,
No matter what the people say,
For there is naught to fear, the gang's all
here,
So hail to West Virginia, hail.

In the hills of West Virginia,
Where the Monongahela flows,
Stands our noble shrine of learning
Mid the laurel and the rose.
Through the four long years of college
We stand as firm and true.
Our hearts are ever loyal
To the dear Old Gold and Blue

CHORUS:

Three cheers for West Virginia,
Rah, rah, rah,
Hail to the Old Gold and Blue,
Cheer for our Alma Mater
Rah, rah, rah,
Always to her standards be true.
Fight for her fame and prestige,
Rah, rah, rah,
Never to the foe say die,
How can we leave thee, Old Gold and Blue?

When our college days are over -
And we're on life's weary way,
When our fondest dreams forsake us
And our hopes have gone astray,
Still a song of our Alma Mater
Will thrill us through and through,
And bring back happy memories
Of the dear Old Gold and Blue.

DO YOU BELIEVE IN ADVERTISING ?

Those who have advertised in this little book thought that it would pay. Those who have not, did not. Watch who has the most business.

IF YOU believe in advertising, patronize those who believe the same as you, and the others will learn a thing or two thereby.
